### Is there any specific program that you would wish the institute to organize

481 responses

No

.

No

Yes

None

no

-

Nothing

No specific program

.

Nope

None

Modern dentistry

Not yet

Books and material should be provided by the institute

..

Research programs

Noo

White coat ceremony

Nothing

everything is okay as it is..

No everything is great

How to overcome procrastination.

Nothing much

Webinar

...

No, the allotted quota is sufficient to acquire proper knowledge

Forensic odontology

Guidance for how to prepare for university exams and how to answer in different subjects in exams theory as well as in viva

More CDE programs

Every thing is nice.  
No need

Mental health awareness in youngsters

Not any specific thing

Programs about modern dentistry, teaching about new techniques.

Program on treatment mechanics

Workshop on management of allergic patients

Better visualisation of clinical demo to each student

No specific program

No. Satisfied with the academic progress..

Dentaverse

For better practical knowledge programs should be conducted to use practical knowledge.

Proper medicine lecture

.

Conferences for foreign scope of Indian dentistry degree

No..not as such.

It already organizes 😊

No there is no specific program. All necessary programs have already been organized by Institute.

For now I don't know such program

Yes , Daily Regular Test , Student Presentation ( PPT )

More curricular activities maybe

Conference and bds related program in our own college

You should be using more visual aids for subjects which undergraduate students cannot practice like oral surgery periodontal surgery for better understanding of the subjects  
Cameras should be used while giving demo

none as per now

Ridge augmentation program in anterior esthetic zone

N/A

Program on different career fields or jobs after BDS completion.

Programs related to future opportunities in dentistry, about current changes in dentistry, and more about our field

Teach the newer advances of dentistry practically in clinics if feasible

Trip for a day

Programs for mental health should be organized more oftenly

Not now

Mental health program

Sports to be added as a part of curriculum

The college should teach modern clinical dentistry from early years

Patient education of various treatment  
Conferences about advance technology

Practical knowledge should be focused more on.

It already organizes😊

No comment.

Program related to advanced technology in dentistry.

No, all programs have been organised by Institute

A survey

A Better understanding of anatomy (as a subject).  
A deeper and more practical knowledge about oral health (it seems that we as beginners , on the journey of dentistry know a little about this subject).

Counselling

Everything is good

Time management, Mental health, physical health

Implant workshop (hands on)

Interactive sessions,workshops and conferences for future workspaces

No not at all

Use of advanced technology in clinical practice

Yes, students skill improvement

No .

Everything is sufficient

All of them are mostly covered

Anonymous suggestion/complaint box

No need

they provide programs

They provide every programs to us.

Challenges in setting up a clinic and how to overcome them

Programme such as how to earn income in dentistry after B.D.S/M.D.S.

Big screens for live demonstrations

Freshers party

Not as such i can think of.

More exposure to dentistry and its branches opportunity to compete with other colleges

Materials and books are costly so from institute you need to be provided

Materials and books to be provided from institute

Water facilities are very poor

Inform students prior 1 month before exams

Fresher party

Dentist day

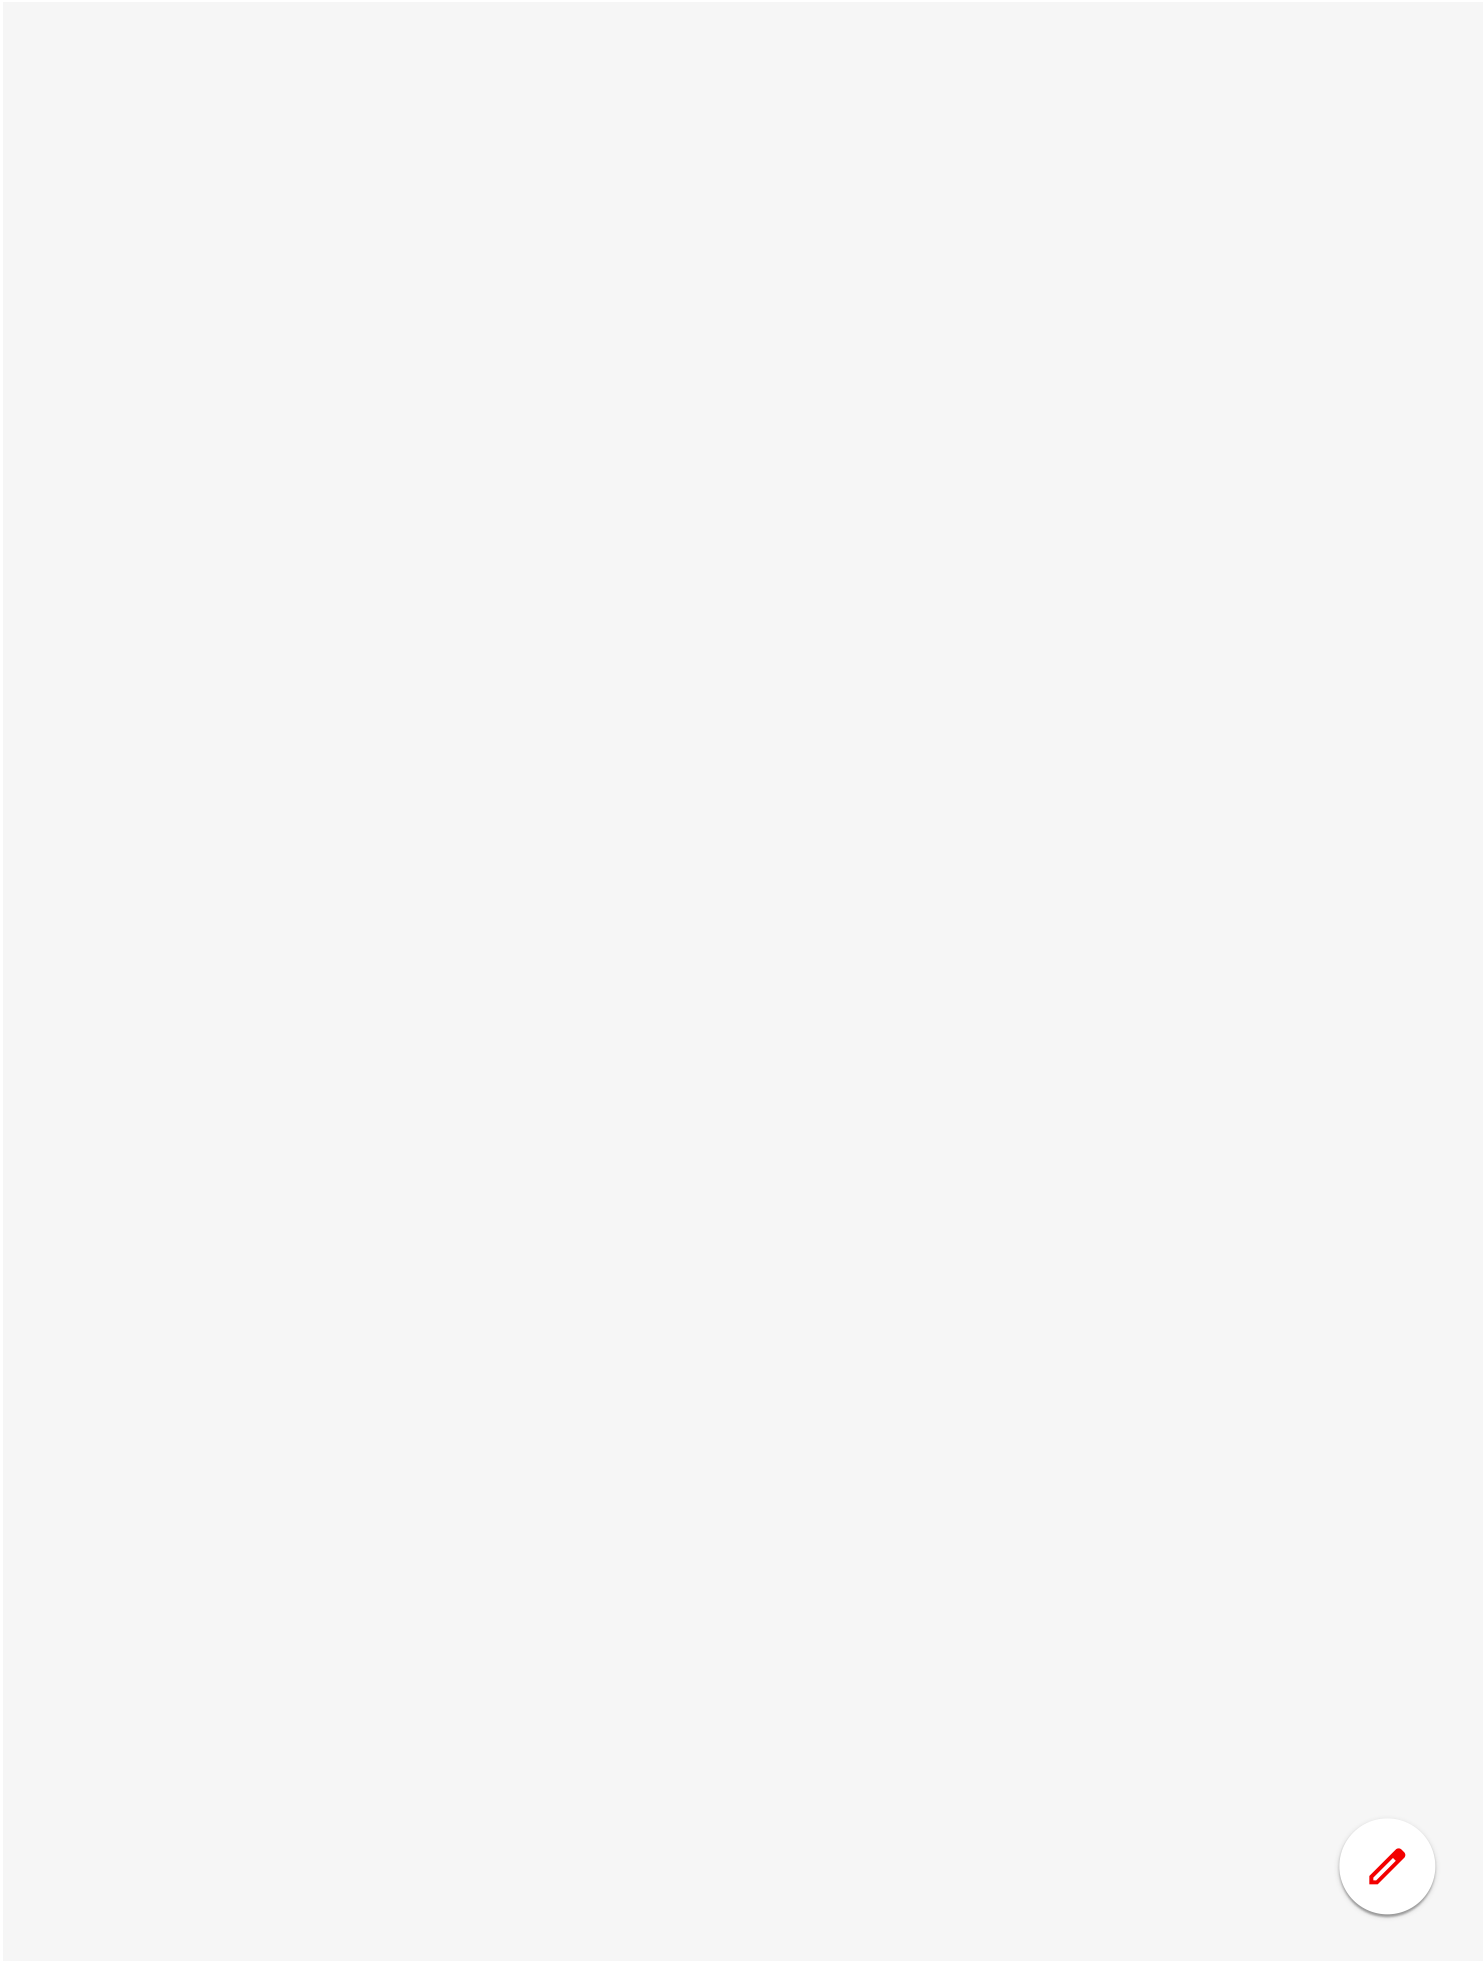

Dental future scope's and foreign scope's

## Propose Program to enhance the curriculum

46 responses

Not required

None

IV INJECTION ADMINISTRATION TRAINING

Field visit of students

Field visit

Learning Implants

Required more interactive methodology

To introduce bonded restorations at Undergraduate level in place of amalgam restorations

Simple Esthetic restorations

Extra Radiology classes which should include CBCT

Sufficient curriculum program ..

Audio visual enhancement

Recent advances in Aesthetics should be incorporated in final year BDS. curriculum

Professional language proficiency, Ethics, Evidence Based Dentistry

Emergency medicine, Head and neck imaging ( Subject Specific)

-

Brief introduction and basic knowledge to final BDS students regarding clear aligners.

Interactive learning module

No

More practical approach

CDE in comprehensive dental care

More hands on training required

Curriculum is good to impart complete knowledge to children

For betterment of students learning pattern

Seminars

Introductory class should be held in 2nd year BDS along with or before general surgery classes.

Student research programs

Medical educational Tourism

Digital dentistry

Need to add more advance modalities in teaching

It should be based on exposure,experience and education.

Yes

All fine

Program seems ok

Seminar n cde program should be included to enhance the learning

To include all the advance topics

CDE programmes for recent advances,

Add evidence based study more

All is well

As such the syllabus covers most of the things which help students to understand the subject, problem solving approaches should be emphasized.

There is a need for Clinical exposure in orthodontics for interns

Recent advances in different field of dentistry

Updation at regular interval

Bio medical waste management

Better understanding..

## Give your suggestions to improve coverage of curriculum

46 responses

None

No suggestion

No suggestions

No suggestions

Courses of implants

Same as above

Inclusion of a variety of restorative materials in conservative dentistry which can address the need of lots of clinical situation & hence impart wider clinical knowledge to students.

No suggestions right now

Varieties of standard books

Advance learning and treatment of precancerous lesions for students

More interactive sessions with students is required

Divide the subjects evenly in 3rd &amp; 4 th Bds

curriculum should enhance competency and professionalism for dental practice.

CDE for E content preparation and delivery should be planned for teachers

Minimum 75% attendance with active participation of students in the theory as well as clinics should be made compulsory

-

Not required

NA

More in depth study of subject

Not needed

Practical guidance

More audio visual and hands on training

Modern advanced skills to be incorporated for each speciality

Teaching can be imparted through usage of more model techniques

-

More topics in 3rd year to ease final yr

Curriculum coverage should include case studies.

Incorporation of more recent advances based continuing dental education programs for student

Allow more access to actual behind the scene preparations

Clinic management and finances

Can remove few of old techniques which are no more in use

Professional curriculum should include implementation of new technologies.

Optimum

All fine

Curriculum is ok

All latest modalities should be included in curriculum

Kindly take morning class instead of afternoon

Teacher's Training Programme,  
Various Research projects for students like ICMR

Plz shift theory class time in morning only..

No suggestions required

Clinical applications of the theory will help to cover the curriculum more efficiently.

Orthodontics preclinical should be held every day like clinical posting as minor batches

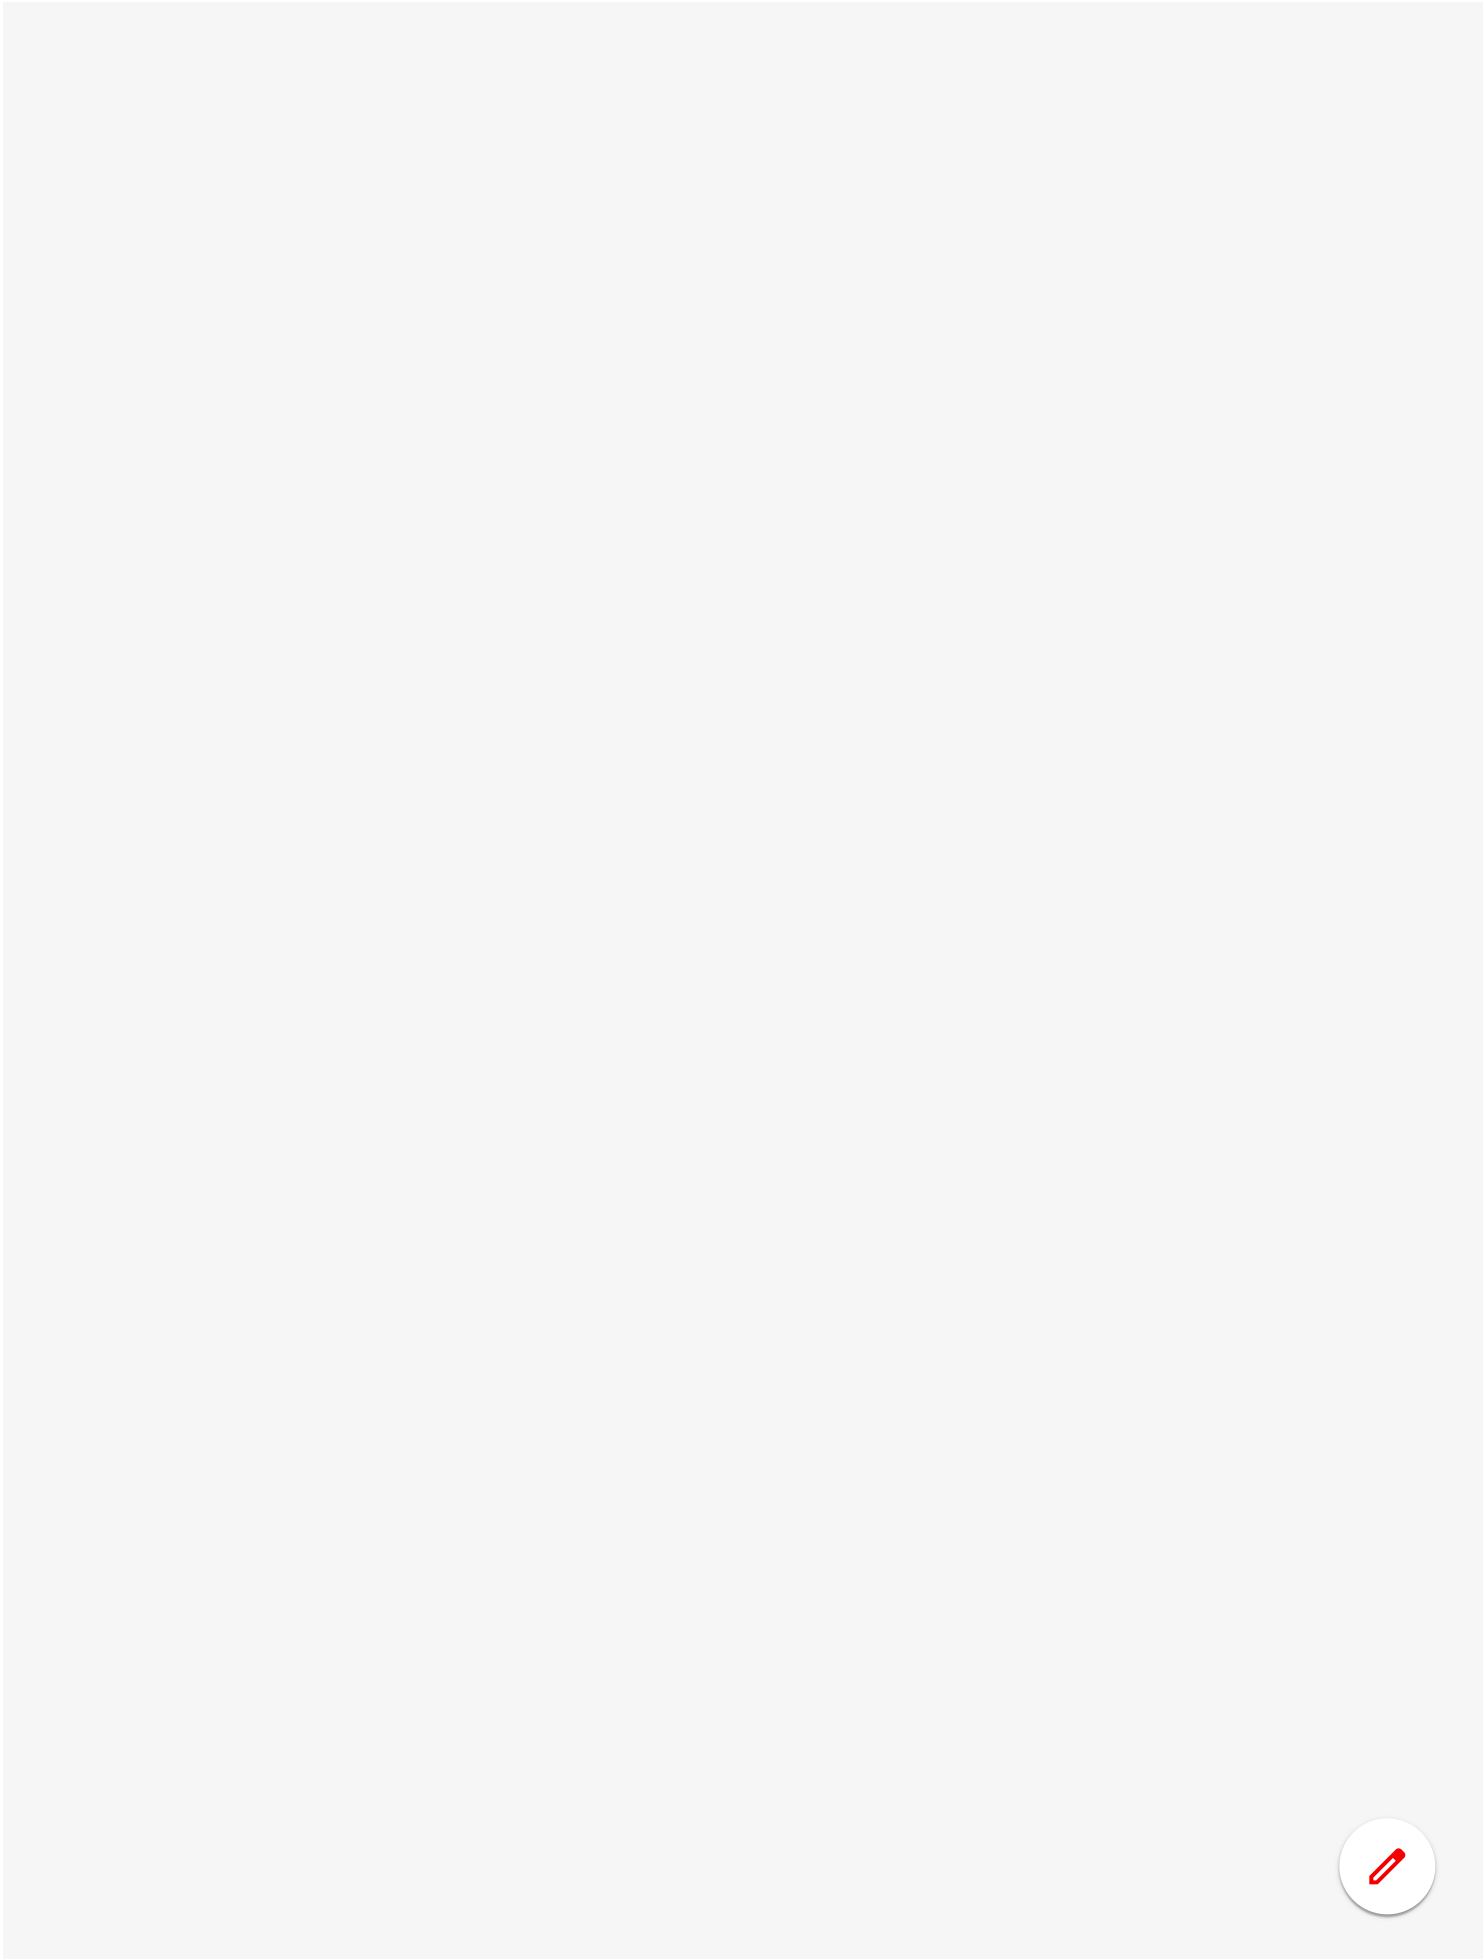

Conduct more hands on CDE program for students to teach them newer advances along with basic

None

No suggestions

Nice College

Need more update in equipments

Keep up the good work

..

Institute should do more focus on technology which will be commonly used In future

Proud to be a student of AMC dental college. It is a place of civility, friendship & good cheer.

The only problem is as an intern i didn't got to learn molar RCT which is most important.

An great institute

Need extra watch for patient management skills of students.

To be suggested

Sessions on digital dentistry can be insightful for upcoming batches..

AMC rocks

No suggestions required for this institute.

Best college.

Best faculty.

Feeling blessed.

Best for current job.

Best to learn employment skills.

I am glad to recommend AMC DENTAL to my friends.

The best about AMCD is its cleanliness and hygiene.....

Good college

N/a

No suggestions

Nice

Good patients experience

It's one of the best colleges in the field of dentistry

I only recommended to people who I hate so I can get revenge on them.

No

Good

-

Overall the learning is so satisfactory, so no suggestions

Good faculty,  
Good experience with patients  
Glad to be a part of curriculum  
Surely recommend to other students

One of the best institute to be in..feeling privileged to be part of AMCD family...  
Best staff and best campus. Will never forget in life the time i had there.

Good

I feel proud that i was the part of amc dental college

I am glad to recommend AMC Dental to my friends

Great environment

Our school should implement new technologies and machineries that are currently in use in private dental offices.

AMC is the best decision of my life. It helped me moulding my career into the best. I owe AMC a lot

Clinical observation must be from 2nd year UG

I feel AMC doesn't need any suggestions!

None

No suggestions required.

Thanks to the all staff members for their unconditional support and efforts from the first to the last day of BDS.

Proud to be an AMC alumni

Infrastructure development needed

Best college

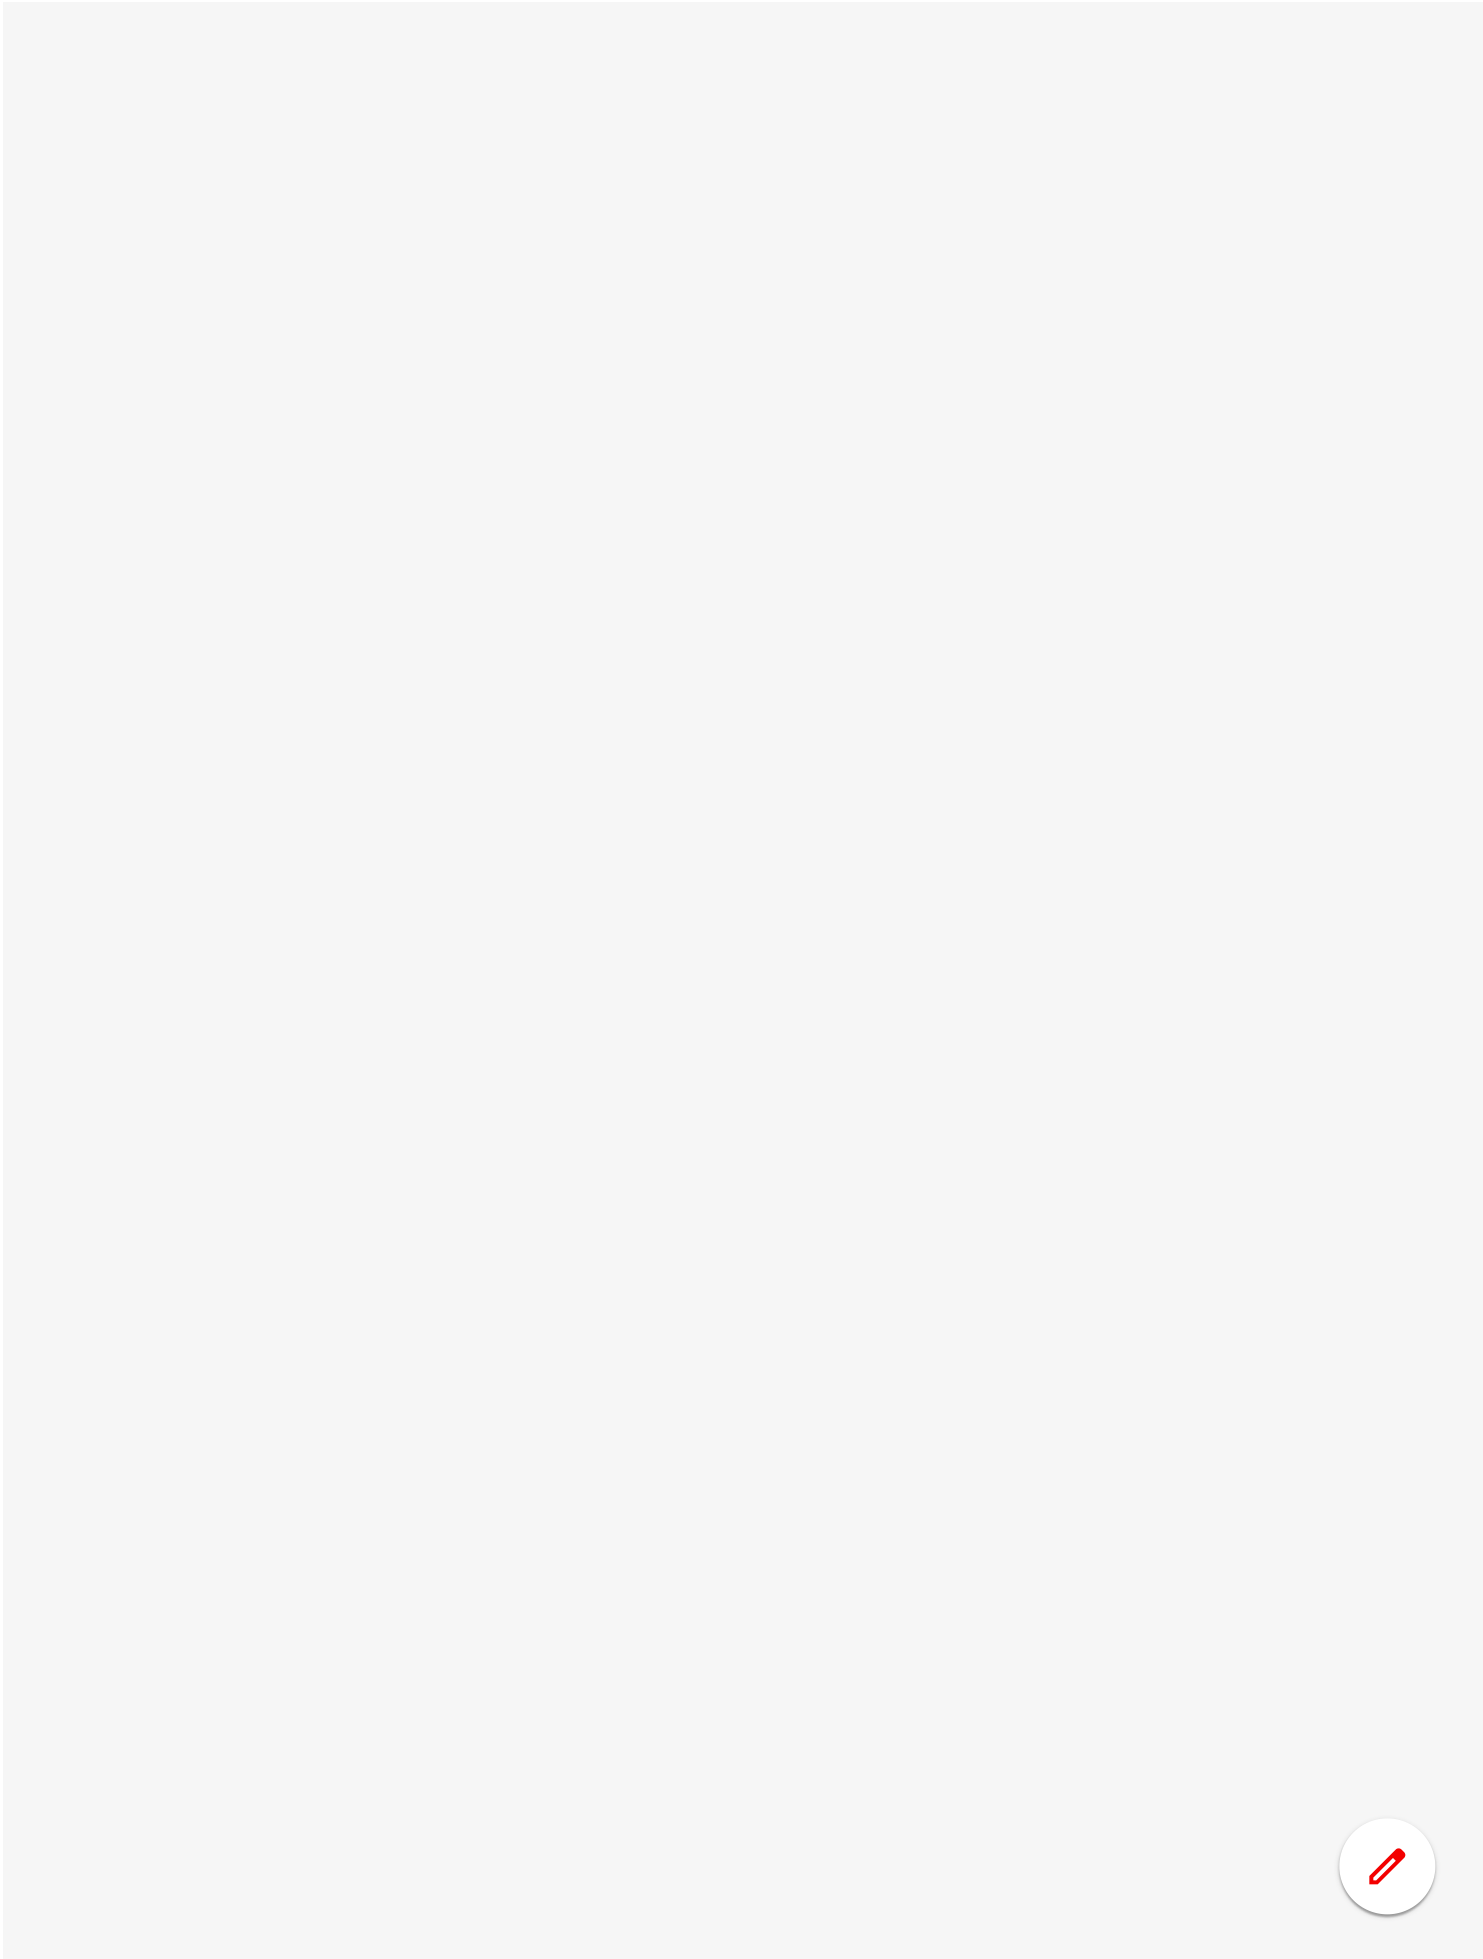

Fees for bonafide documents or for getting documents signed while approaching abroad feels wrong.
