AMC DENTAL COLLEGE AND HOSPITAL

VALUE ADDED COURSE ON INDIRECT VENEER TECHNIQUE

ACADEMIC YEAR 2019-2020

1. Nomenclature of the Course:

Value added course on **INDIRECT VENEER TECHNIQUE**

Background:

To practise successful esthetic dentistry, the dental team must understand the relevant principles, notably those of smile design, and be aware of the different inter-disciplinary treatment modalities that are available. They should also possess an intimate knowledge of the different esthetic materials available, and their clinical indications, application and limitations in practice

2. Objectives of program

This comprehensive three-day workshop offers a blend of theoretical understanding and extensive hands-on practice in anterior teeth aesthetic restoration, covering various aspects from smile design principles to practical restoration techniques, aiming to enhance participants' skills and confidence in performing aesthetic dental procedures.

3. Offering Institute and Faculty:

The Course is offered by Amc Dental College And Hospital, Ahmedabad

4. Who Can Participate in the Course

interested dental student, interns, post graduates at Amc Dental College and Hospital can participate in the course.

5. Duration of the Course

The total duration of the course is 21 hours

6. Course Fee: There will be no fee for the course

7. Award of Certificate

The students completing 80 % attendance will be awarded the course completion certificates.

8. Course Content

Day 1: 8 hours

Understanding Anterior Teeth Aesthetic Restoration

Session 1: Introduction to Anterior Aesthetic Restorations

- **Overview of Aesthetic Dentistry:** Understanding the importance of aesthetic restorations in the anterior teeth region.
- **Case Selection and Treatment Planning:** Identifying suitable cases and planning for aesthetic restorations.

Session 2: Smile Design Principles

- **Smile Analysis:** Evaluating smile aesthetics, including tooth shape, size, color, and gingival contours.
- **Facial and Dental Harmony:** Understanding the principles of facial proportions and their correlation with dental aesthetics.

Session 3: Shade Selection and Communication

- **Tooth Shade Matching:** Techniques for accurate shade selection using shade guides and digital tools.
- **Effective Patient Communication:** Strategies for discussing aesthetic expectations and achieving patient satisfaction.

Day 2: 6 hours

Session 4: Preparation Techniques for Anterior Restorations

- **Minimal Intervention Approach:** Exploring conservative preparation techniques for veneers and direct restorations.
- **Preparation Guidelines:** Understanding preparation designs and considerations for different restorative materials.

Session 5: Hands-on Workshop: Tooth Preparation Techniques

- **Preparation Exercises:** Guided hands-on practice on tooth preparation techniques for veneers and direct composite restorations.

- **Feedback and Guidance:** Providing individualized feedback and guidance to participants during the practical session.

Day 3: 6 hours

Practical Application and Restoration Techniques

Session 6: Veneer and Composite Restoration Procedures

- **Veneer Fabrication:** Step-by-step guidance on fabricating and bonding porcelain and composite veneers.
- **Layering Techniques:** Exploring layering techniques for achieving natural aesthetics in direct composite restorations.

Session 7: Margin Finishing and Polishing

- **Margin Refinement:** Techniques for achieving seamless margins and precise finishing for aesthetic restorations.
- **Polishing Procedures:** Understanding and practicing different polishing techniques for optimal shine and luster.

Session 8: Gingival Contouring and Soft Tissue Management

- **Gingival Recontouring:** Understanding the role of gingival aesthetics in smile design and restoration.
- **Soft Tissue Management:** Techniques for managing soft tissues to enhance aesthetic outcomes.

Session 9: Case Studies and Treatment Planning

- **Interactive Case Discussions:** Analyzing real cases and treatment planning for anterior aesthetic restorations.
- **Group Problem-Solving:** Engaging participants in problem-solving scenarios for challenging cases.
- **Certificates of Completion:** Providing certificates to participants for successful completion of the hands-on workshop.
