

World No Tobacco Day 2022

World No Tobacco Day is celebrated every year on 31st May. The annual campaign of “No Tobacco Day” is an opportunity to raise awareness on harmful and deadly effects of tobacco products to the general public. The Theme For 2022 is Tobacco : Threat to our Environment.

To commemorate World No Tobacco Day, Department of Public Health Dentistry, AMC Dental College have organized following activities on **31/5/2022**.

1. **Dental Screening Camp** at Narol, Ahmedabad in collaboration with **NGO- ELIXIR Foundation**, for under privileged people where multifarious activities were carried out like free dental check up with emphasis on detection and diagnosis of pre cancerous lesions and conditions, dissemination of health education at mass level pertaining to hazards of tobacco usage with emphasis on creating awareness to quit the tobacco habit, individual counseling for tobacco cessation and distribution of pamphlets and brochures to raise awareness to quit the habit.
2. **Extempore - Health Talk Competition** was organized for final year U.G. students at lecture hall, AMC Dental College during 3:00 to 5:00 pm. The topics were given on a theme of World No Tobacco Day celebration so that they get trained to raise awareness among the public about harmful effects of tobacco on their health as well as prevention & self diagnosis of warning signs of precancerous lesion , condition and oral cancer .

It was our miniature effort to enlighten the minds in eradicating this problem, thus saving millions of life from deadly effects of this habit in ocean of darkness.
