

NFSU VISIT REPORT

DT: 7TH OCT 2022

We deeply indebted to the Dean of AMC Dental College & Hospital, Dr. Dolly Patel Mam without whose guidance and cooperation university visit would not be possible.

National Forensic Science University is world's first and only university dedicated to forensics, behavioral, cybersecurity, digital forensics and allied science was established with vision of Hon. PM Shri Narendra Modi in capital of Gujarat, Gandhinagar.

AMC Dental College & Hospital intern visit was arranged at NFSU on 7th Oct 2022 (Friday). Total 64 interns and 6 faculty members from Dept. of Oral Pathology and Dept. of Oral Medicine participated in the program. The main objective of the visit was to make the budding dentist aware about the research area in the field of Forensic science, crime investigation, security, behavioral science and criminology. The event was coordinated by Dr Kinnari Patel, HOD, Oral Pathology Dept. AMC Dental College & Hospital and Dr Dhvani Patel, Faculty, NFSU.

The program commences with welcome address by Dr Dhvani Patel, Faculty NFSU. Followed by brief description and achievement of NFSU. Post Introduction students and faculty members were divided in two groups. Two faculty from NFSU lead the respective groups to ensure smooth coordination.

The department of Forensic odontology is dedicated to the importance of dentistry in research and development for its application in forensic investigative science. It's well equipped with latest high-end instruments for the study of dental evidence required in investigation. In addition to forensic odontology lab other labs visited are:-

Genetic Lab

Toxicology Lab

Cyber Defense Centre

Ballistic Research & Testing centre

Buddha psychological Centre

The students and faculty members enjoyed the different lab visit and interacted with faculty of NFSU. At the end everyone assembled near the main entrance of NFSU for photo session. The visiting interns and faculty members departed at 1:00pm.
