

## ORAL HYGIENE DAY CELEBRATION 2022

The Department of Periodontology of AMC Dental College, Ahmedabad celebrated "The Oral Hygiene Day" on 01.08.2022.

Inauguration and lightening of lamp were done by the Dean Dr Dolly Patel, Head of the Department, periodontology Dr Bela Dave along with respected Heads of all departments and perio faculties of the college. Highly informative video provided by ISP regarding oral hygiene awareness proved to be extremely beneficial for conveying the awareness message to the patients. Along with that, patients were explained regarding proper brushing techniques, different interdental aids and mouthwashes using various audio-visual aids and 3D models by post graduate students and interns of the department

Dental check-up of patients was done using Plaque Detection Device in the Department of Periodontology which motivated patients to perform better oral hygiene practices. Free sample distribution of was done in the out-patient department on 1st and 2nd August, 2022. Cake cutting celebration was done in the department of Periodontology by the Head of the Department along with other faculty members of the department.

On 1st August various in-house activities and competitions were organized such as Slogan competition, Soap carving and Logo contest for the undergraduates, Interns and post graduate students based on "GUM CARE FOR TOOTH CARE" as given by Indian Society of Periodontology.

Lastly, undergraduate and post graduate students were imparted sound knowledge on dental hypersensitivity by the Head of the Department of Periodontology, Dr Bela Dave with the extremely insightful PPT presentation provided by ISP.

The program conducted proved to be extremely helpful in spreading awareness and knowledge regarding proper gum care to patients as well as students.
