CIRCULAR

A Feedback Committee is formulated to gather feedback from students, faculty, staff, and patients, driving quality enhancement by evaluating performance and addressing concerns. The committee will play a vital role in aligning the curriculum with current dental practice trends, ensuring patient satisfaction in clinical facilities, and maintaining a positive institutional reputation. Additionally, through regular policy assessments and recommendations for changes, the committee will act as a dynamic force for ongoing institutional evolution and success.

The following staff members have been appointed as members –
