#### MINUTES OF THE MEETING

**Date:** 09/03/2021 **Time:** 2:15pm

Venue: Conference Room

#### Agenda:

- To formalize IQAC Committee.
- To initiate creation of Dental Education Unit
- To initiate creation of Feedback committee
- Discussion on starting Comprehensive Dental Clinic
- To discuss state of research in the institute.
- curriculum integration

## Minutes of the Meeting:

- Chairman has informed all the members of the IQAC their role in cell.
- Coordinator, IQAC presented points for SOP of IQAC.
- Coordinator, IQAC presented requirement for having Dental Education Unit and a Feedback committee. Members of IQAC has consented to create a Dental Education Unit, IT Cell and Feedback Committee and have proposed names for Dental Education Unit and Feedback Committee.
- Chairman, IQAC has accepted all the proposals and will initiate creation of Dental Education Unit, IT Cell and Feedback Committee.
- Need for a generalized dental clinic exposure was discussed by Chairman, IQAC. Base of discussion was, upon graduating dental graduate student will have to provide comprehensive dental treatment to each patient suiting patient's need. Current internship program is compulsory rotatory in nature which teaches how to provide treatment to patient specific to that department. Having a general dental clinical exposure will enable student to prepare a comprehensive treatment plan and teach student how to prioritize treatments. This proposal was accepted by all.
- Coordinator, IQAC presented requirement for identifying learning outcomes, graduate attributes, and program specific learning outcomes with methods of assessment for students.
- Members have agreed to this requirement and Chairman, IQAC has agreed to represent this point in next Academic Council meeting.
- Chairman, IQAC has expressed concern about current research status in the institute. She has informed cell that most of the research carried out in the institute is purely academic in nature and very little research is being which is innovation or product driven. She has requested all members to give her

Time: 2:15pm

Venue: Conference Room

#### Agenda:

To discuss Curriculum Integration.

- To provide remedial teaching and examination in institute.
- To discuss implementing objective assessment system in institute.
- To discuss Academic Flexibility offered to students in institute.
- To discuss Value added courses being offered at the institute.
- To discuss requirement of New Education Policy Cell

# Minutes of the Meeting:

- With permission of Chairman meeting was started.
- Coordinator presented previous meeting's Minutes of the meeting.
- Coordinator, IQAC presented requirement to have integration of Interdepartmental Training in BDS and MDS programs based on guidelines of DCI.
- Coordinator, IQAC has presented current scenario to the cell related to remedial teaching and examination. He has informed all that departments in their independent capacity are providing remedial teaching and remedial examination options to students. Members have proposed to have central policy for same.
- Dr Vijay Bhaskar, member (Professional Parent) has informed cell about a requirement to formalize objective assessment system in institute to have structured evaluation process.
- Dr Vinay Rao, Member (Dental Education Unit) has informed cell, AMC Dental College is strictly adhering to the syllabus being prescribed by Dental Council of India and Gujarat University. The current academic schedule gives very little opportunity to provide academic flexibility to the students.
- All members have agreed to these requirements and Chairman, IQAC has agreed to represent this requirement in next Academic Council meet.
- Chairman, IQAC initiated conversation on low number of value-added courses being offered in institute. Members shared their view on offering value added courses at institute's specialized clinic. Chairman, IQAC has accepted this proposal and has agreed to represent this proposal in next Academic Council meet.
- Chairman, IQAC has informed cell that institute will have to prepare for implementation of New Education Policy (NEP). For this preparation there is specific requirement for a cell that understands and prepares institute for implementation of NEP. Members of cell has agreed to this.

#### Agenda:

Formalization of Orientation Programs.

- Discussion on implementation of generic prescriptions.
- Review of Mentor Mentee program
- Discussion on Quality initiatives via trainings.
- Formation of Placement Cell

## Minutes of the Meeting:

- With permission of Chairman meeting was started.
- Coordinator presented previous meeting's Minutes of the meeting.
- Chairman, IQAC presented requirement to formalize orientation programs for students. It has been discussed that orientation programs currently are generic in nature whereas there is need for them to be specific to student audience.
- Chairman, IQAC shared the requirement to implement generic prescription in the institute to suit patients. Dr Hu Wei Hsin, Member, Library has shared his experience on antibiotic prescription amongst students. He has requested chairman, IQAC to organize a program on antibiotic prescription.
- Coordinator, IQAC shared with 6 training programs for quality initiatives were organized in academic year 2021-2022. He also shared that there is in general increase in quality awareness amongst students and faculty due to same. Chairman, IQAC has shared cell that she wishes to organize more such programs in academic year 2022-2023. Cell has applauded this initiative and has agreed to organize more such programs.
- Chairman, IQAC informed cell on ongoing Mentor: Mentee program. She has informed cell about success of program in terms of improved approachability between student and faculty. Cell has suggested that this program must continue.
- With permission of chairman, IQAC, Dr Vinay Rao, member, Dental Education Unit has proposed that institute must organize faculty development programs related to education technology and research methodologies.
- All discussed items have been accepted by Chairman, IQAC and has ensured implementation of same.
- Dr Kinnari Rajpura, member, maintenance and Infrastructure has informed cell that there is increasing difficulty in finding placement for fresh dental graduates. She has proposed that institute can form a placement cell that can help and guide students for same.
