PROGRAM REPORT

The following program is conducted by the alumni students of AMC Dental college under **Late Guru Prasad Mohapatra Alumni Wisdom Initiative** for the abroad preparation after AMC Dental college.

Symposium: Study Abroad Journey After AMC Dental College

Presenters: Dr. Ahan Kamdar, Dr. Pranay Nayi, Dr. Parshad Mehta

Organized by: AMC Dental College

In an enlightening symposium, three distinguished alumni of AMC Dental College and Hospital shared their experiences and insights regarding the journey of pursuing dentistry abroad after completing their BDS degrees. The symposium, featured Dr. Ahan Kamdar, who embarked on his dentistry journey in Australia, and Dr. Pranay Nayi and Dr. Parshad Mehta, who pursued dentistry in the United States.

Dr. Ahan Kamdar's Journey:

Dr. Ahan Kamdar, a 2019 BDS graduate, chose Australia as his destination for further studies in dentistry. During the seminar, he provided attendees with a comprehensive understanding of the examination procedure for the ADC (Australian Dental Council) exam. His detailed explanation of the financial aspects associated with pursuing dentistry in Australia, including the costs related to the ADC exam, proved highly informative for aspiring dentists.

Dr. Pranay Nayi and Dr. Parshad Mehta's Journey:

Dr. Pranay Nayi and Dr. Parshad Mehta pursued their dental careers in the United States after completing their BDS degrees. They shared valuable insights into the NDEB (National Dental Examining Board) examination procedure, which is essential for foreign-trained dentists aspiring to practice in the United States. Additionally, they discussed the costs associated with the NDEB exams and presented information on the various options for obtaining a DDS (Doctor of Dental Surgery) degree in the U.S.

Examination Procedures: The seminar provided a detailed understanding of the examination procedures for ADC (Australia) and NDEB (United States) exams, crucial for those seeking to practice dentistry in these countries.

Financial Considerations: Attendees gained insights into the financial aspects of pursuing dentistry abroad, including examination costs, tuition fees, and living expenses.

Options for Further Studies: Dr. Pranay Nayi and Dr. Parshad Mehta's presentation highlighted the various pathways and options available for obtaining a DDS degree in the United States, offering attendees a comprehensive overview of their choices.

The symposium, conducted by AMC Dental College alumni, Dr. Ahan Kamdar, Dr. Pranay Nayi, and Dr. Parshad Mehta, was a valuable resource for current dental students and recent graduates considering a study abroad journey in dentistry. Their firsthand experiences and detailed information regarding examination procedures and financial aspects provided attendees with the knowledge and confidence to pursue their dreams of practicing dentistry in Australia or the United States. This seminar served as an inspiration for aspiring dentists, offering a roadmap for their international dentistry endeavours. Attendees were able to put forward their doubts and questions and got a clear understanding for the same.
