

World Environment Day Celebration Report

On June 5th, 2024, AMC Dental College collaborated with The Kalupur Commercial Co-operative Bank location to celebrate World Environment Day with a series of engaging activities and initiatives. The event aimed to raise awareness about environmental conservation and sustainable practices among students, faculty, and staff.

The day commenced with a tree plantation drive on the college campus, where participants planted various native tree species to promote biodiversity and offset carbon emissions. This was followed by informative sessions and workshops conducted by environmental experts, focusing on topics such as waste management, renewable energy, and water conservation. Throughout the event, there was a strong emphasis on the importance of individual and collective efforts in safeguarding our planet's resources for future generations. The collaboration between Kalupur Corporation Bank and AMC Dental College underscored their commitment to environmental stewardship and community engagement.

In conclusion, the World Environment Day celebration was a resounding success, leaving a positive impact on all participants and reinforcing the significance of sustainable living practices in today's world.

Attendees: Students, faculty, staff of AMC Dental College, representatives from The Kalupur Commercial Co-operative Bank.
