Organized By:

- Department of Prosthodontics, Crown & Bridge and Implantology
- Department of Conservative Dentistry, Endodontics and Aesthetic Dentistry

Program Coordinators:

- Dr. Kinjal Solanki (Prof. & Head, Dept. Of Prosthodontics And Crown & Bridge)
- Dr. Anjali Kothari (Prof. & Head, Dept. Of Conservative Dentistry & Endodontics)

Overview:

- A value-added interdepartmental Continuing Dental Education (CDE) program titled **“Drafting a Beautiful Smile”** was successfully conducted at AMC Dental College on 10th February 2025. The program focused on enhancing knowledge in the field of smile design and recent advancements in dental ceramics among UG and PG students, interns, and staff, fostering interdisciplinary learning.

Program Highlights:

- Inaugural Session: The program commenced with an introductory speech, welcoming the distinguished speaker and participants.
- Lecture 1: Blueprint and Psychology of Smile Design (2:00 PM – 3:00 PM)
- Lecture 2: Advances in Dental Ceramics: Materials, Innovations, and Clinical Implications (3:00 PM – 4:00 PM)
- Discussion Session for PG Students (4:00 PM – 5:00 PM)
- Concluding Session: The program concluded with a vote of thanks and a certificate of appreciation was presented to Dr. Ritul Agarwal.

Registration & Attendance:

- Free registration for all (including staff, PGs, UGs, and interns) via QR code.
- Total Participants: 222 (including undergraduate interns, postgraduate students, and faculty members).
- The program was accredited with 3 CDE Points.

Remarks:

- The CDE program served as an excellent platform for interdisciplinary learning and contributed to the academic enrichment of students and staff, aligning with the objectives of continuous professional development and value-added education.
