Meeting of the Executive Committee of AMC Medical Education Trust held on 22nd August 2019, Thursday, 5:30 pm at the Conference Room of Chairman, AMCMET & Municipal Commissioner, Ahmedabad.

EXTRACT OF RESOLUTION

Resolution No. 7 of Executive Committee dated 22nd August 2019

The Executive Committee discussed following proposal of The Treasurer, AMC MET, Executive Committee Inward No. 16/15.07.2019, vide approval given by Chairman-AMC MET, At present, If any students left the course in between than we collect the remaining fees of full course and then release their original documents. Many students has paid the fees and received the original documents back. But now a days this type of incidents are increasing and they are requesting to release documents without any payment for remaining course fee. One student from SBB College of Physiotherapy and one student from AMC MET Medical College have raised the issue to get back original document without paying the remaining fees.

After considering all aspects related to admission, expenses to be borne by the institute and the financial burden of the candidate, this committee is of the opinion that, if any student of AMC Medical Education Trust wants to leave the course in between the tenure of the course and if the vacancy arise which is not permitted to fill up by another student, the candidate has to pay half of the fees of reaming full course to release their original document.

Henceforth, the executive committee resolves that, considering requests from student partially and to ease their financial burden, now onwards if any student of AMC Medical Education Trust wants to leave the course in between the tenure of the course and if the vacancy arise which is not permitted to fill up by another student, the candidate has to pay half of the fees of remaining full course.
